

# RESOLUTIONS FORM: February 3, 2026 Precinct Caucuses

## **Steps to change the platform of the Republican Party of Minnesota:**

1. Resolutions that are passed at the **Precinct Caucus** will be forwarded to the **2026 BPOU Convention**.
2. The **BPOU Convention** votes on these Resolutions, requiring a simple majority to pass.
3. Resolutions that are passed at the **BPOU Convention** are then to be forwarded to the **2026 Congressional District Convention** where they are voted on; a simple majority is required to pass.
4. Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2026 State Convention** where they are voted on; where once again a simple majority is required to pass.
5. Resolutions that are passed at the 2026 State Convention are incorporated into the **Standing Platform** of the **Republican Party of Minnesota**.

The Standing Platform of the Republican Party of Minnesota has **10 PLANKS**. Before writing your proposed Resolution, indicate to which PLANK your Resolution pertains (review the accompanying **Standing Platform** for current wording of the standing planks). If you feel your resolution does not fit in a specific plank, check "OTHER":

Promote Economic Prosperity  
 Preserving Our Civil Rights  
 Protect Our Health Care  
 Educate Our Children  
 Strengthen Our Families and Communities  
 Protect Public Safety

**Strengthen the Rule of Law**  
 Enjoy and Protect Our Natural Resources  
 Make Government Smaller and Better  
 Defend America at Home and Abroad  
 Commendatory  
 Other

As soon as you have your resolution written, give it to the caucus secretary. A maximum 5 minute discussion, pro and con alternately, will follow. A vote will take place and if passed, this resolution will be forwarded to the BPOU Convention.

I move that this precinct caucus support the following change to the above plank (1 of the 11 must be checked): (you may attach an additional sheet if more space is needed)

Therefore, be it resolved that the GOP Party supports clean water and supports a policy that would protect

**Minnesota's many waters from the dangers of copper-sulfide mining and protect Minnesota from the foreign mining companies seeking to exploit and profit from our resources.**
